OUR CLASS INQUIRY

ENGAGE and ASK
What questions do we have about this topic?

THINK CRITICALLY
How will we access and analyze information about this topic?

COMMUNICATE FINDINGS
How will we demonstrate what we have learned? Who is the audience we will share our learning with?

DRAW CONCLUSIONS
How will we synthesize ideas to answer the questions posed based on sources used?

REFLECT
How will we reflect on what we have learned and how it will impact us in the future?
