in Normal, IL

Engaging Students in the Middle Grades: Connecting with 6-8 Students

Looking for new ways to engage middle school students as well as address social emotional standards in the classroom? Join us for a day of professional learning centered on specific strategies to enhance any content focus in the middle school classroom.

- Explore strategies to connect with students and help them transition to and throughout middle school.
- Discover strategies for facilitating discussions and discourse.
- Walk away with a variety of strategies that can be implemented in the classroom right away!

Registration for all sessions will be available soon!
